Trailer with canopy. 600 dollars plus tax & fees. PRICE IS FIRM. 1972 Chevy Truck bed converted to trailer. Has studded tires in good condition. Includes a wheel mounted spare. Perfect for storing yard waste then eventually taking to a dump run. The Canopy is tall. Windows on the Canopy have protective plywood cover inside. That allows filling the trailer up all the way without damaging the glass. New lights and wires installed last fall. Includes a 1-year-old Trailer jack stand. Backing your truck up to it and mounting the pintle is easy. The trailer bed Floor has added second layer for greater durability. Tires hold air with no slow leaks. It drives straight. The inside stays dry year-round when its parked. 600\$ U.S. dollars. PRICE IS FIRM. It has a valid, Colorado Title. Make payment installments over 3 months*. *Requires a non-refundable 200\$ deposit. Buyer pays license transfer Fees & Tax.
